The background of the entire image is a vibrant display of fresh fruits. At the top, there are several large, textured pineapples. Below them are rows of oranges, some in clear plastic containers. To the right, there are boxes of packaged fruit, including "Veritá Toze Zencefil" (Zinc) and "Veritá Demirhindi" (Iron). In the middle, there are bunches of yellow bananas and several green limes. At the bottom, there are more pineapples and a clear plastic container filled with bright red strawberries. The overall scene is a well-stocked fruit stand or market display.
